WINGATE AVENUE

PHILADELPHIA SEPTA 2795

TP65

SEPTA City Division's 2795 passes under the Reading Co. tracks at Germantown and Windim Avenues after a light snow. The Reading offers alternate rail transportation to center city at its Wayne Junction Station. SEPTA's PCC car, built in 1947 by St. Louis Car Co., is seen in this December 17, 1973 view.
